Life between Summer

Euclid High School and all of the associated buildings and playing fields around it is almost like a small city within Euclid.

You spent almost nine months there. You worked hard at times trying to accomplish as much as you can. School was more than just a place to be between summer vacations. For many it was a life unto itself. A place where friendships were created and nurtured and many enjoyable and sometimes not so enjoyable moments were experienced. It was a place where many good and bad emotions were experienced. For most it was a time that would never be forgotten and would be thought of fondly in the years to come.

Jessica Scott enjoys performing in front of the football fans during halftime. Jennifer's life at school is very important to her.

Classroom time is an important part of a student's day at Euclid. English teacher, Mr. Robert Petrovic, wants his students to have the best education they can get.

Junior Band Director, Jenny Cicco, and Senior Band Director, Dave Giancola, work hard to keep the members of the Marching Band in formation and synchronization during their half time ceremonies. Both Jenny and Dave realize the importance of their education at Euclid.

MUSTANGS CORRALLED

Homecoming 1996 began on Thursday, October 10 with a bonfire on baseball diamond #4. It continued with a football game with Maple Heights on Friday and concluded with the Homecoming Dance on Saturday. At the bonfire a Maple Heights player was burned in effigy. On Friday the Maple Heights football team was burned by a score of 27-0 by the mighty Euclid panthers. Even though the offense struggled with many turnovers, the defense kept the mustangs from getting into the end zone. The dance on Saturday was an elegant affair with the theme of the Mardi Gras.

SENIORS

The students entered their freshman year filled with excitement and fear. Now, as they looked back on graduation, they experienced similar feelings. Though they may feel that way, they must not forget the changes they've gone through, growing in different ways, the times of celebration and the times they would rather forget. Many changes occurred to those little freshmen who began at Euclid four years ago. They grew academically, socially, physically, emotionally, athletically and many other ways. Some students excelled in certain activities while others excelled in other things. Emotionally students grew and learned how to love, have faith, control hatred, and even trust. There were good times and bad ones. Hopefully they got a chance to learn from everything. Being a senior was a wonderful thing for most of them.

the year

Being a senior was what almost everyone in high school wanted to be. It was being at the top of the ladder. It meant having the most responsibilities. It meant having underclassmen looking up at you. It was as high as you could go at Euclid High School. You had to set examples for the rest of the school. The seniors were the ones who were the leaders.

TRAVELING SENIORS

Several seniors went on trips during the summer

Mandy Mc Peek was one of many seniors who traveled out of the state during their vacation. Mandy and Katie Baioni went to Myrtle Beach during their spring vacation. They flew down on the Myrtle Beach Jet Express and met Mandy's parents who had a condo down there. They stayed for four days. During that time they went shopping and went to the beach. They returned home carsick and sunburned, missing the warmth of the sun, and the feel of the sand. They are shown here as they arrived at the airport at Myrtle Beach.

In March of 1996, sixteen Euclid High students traveled to Japan to represent Euclid. For two weeks the students stayed in Hakone which was an International Camp and at Homestays in Tokyo and Narahmachi which is Euclid's sister city in Japan. Molly Petras, Katie Baioni and Katy Carmichael were three of the people who went. Katie Baioni is shown with Shiho Ioki who is now a foreign exchange student at Euclid.

Speaking of traveling, here is Tommy Virgies traveling against Maple Hts. during Homecoming.

TRANSIENT POPULATION

Many students are new to Euclid schools

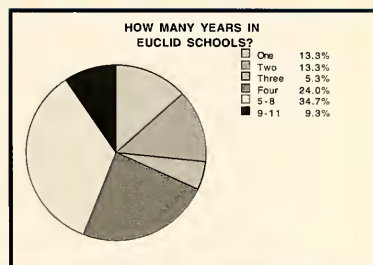

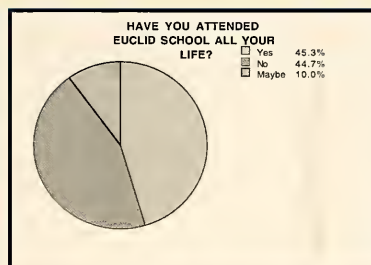

Lyle Steelman performs a solo during half time.
Jeff Gutu, Staci Richmond, Marla Scott, Michele Fox and
Shannon Gaynes enjoyed their years at Euclid.

Students enjoying themselves at the Homecoming assembly.

Euclid seniors were asked if they had attended Euclid schools all their lives. 45% of the seniors who answered said that they had which was about the same as the previous year. The rest of the seniors were in the Euclid schools anywhere from one to eleven years with the most frequent number being four years. This reflected a large number of students who attended parochial schools for the first eight grades and then came to the high school in the ninth grade. More than 13 percent of the seniors have only been in the Euclid schools for one year.

COLLEGE BOUND

Most seniors have college plans

In a poll given to seniors, 88 per cent of the respondents said that they were planning on going to college. This was a little bit less than the previous year's poll but not very much of a difference. This showed that members of the senior class realized the value of having education beyond a high school diploma.

SENIOR ACTIVITIES

Many seniors were involved in Euclid activities

Euclid offered many opportunities for students to get involved in activities during the school day and after the school day was over. There was also a complete list of sports that the students could participate in. Freshmen even had their own sports program where they could compete with other freshmen teams. There was no reason why a student could not find something that they were interested in at Euclid High School. If a group of students were interested in something that there was no formal club they could always find an adviser and begin their own club. All that was needed was a desire to interact in a particular way.

One of the activities that **Becky Hren** enjoy doing was talking to the students at Forest Park about drugs and alcohol abuse where she was a D.A.R.E. role model for two years.

Dan Bergole enjoyed helping out around the school as a Media Aide. He controlled lighting and sound for many of the student productions throughout his time at Euclid.

Most Euclid students say they enjoyed their high school years

Did you enjoy your years at Euclid High School?

The seniors were polled as to whether or not they enjoyed their years at Euclid and 62 % of the respondents said that they did. This was very similar to the 60 % that responded last year. The major difference seemed to be in the number of students who responded 'maybe'. Last year 27 % were uncertain while this year 24% were uncertain.

Jodi Dominick and Jennifer Davis certainly look as if they have enjoyed their years at Euclid. Most of these students had enjoyable moments while at Euclid.

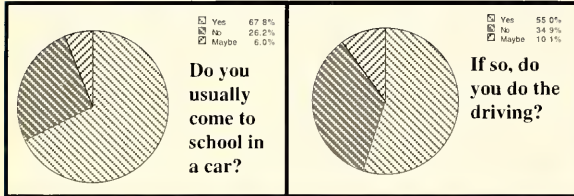

Kevin Evans and Katie Baioni were active students while at Euclid.

Many seniors come to school by car

Seniors were asked whether they came to school in a car. Less than 70 % of those responding said they did. About 55 % of the ones that came to school in a car did the driving. This was much lower than the results from last year when about 80 % of the students came by car and 57 % did the driving.

Many of the students in these pictures get to school in a car and more than half of them do the driving.

HIGH SCHOOL IS NOT ENOUGH

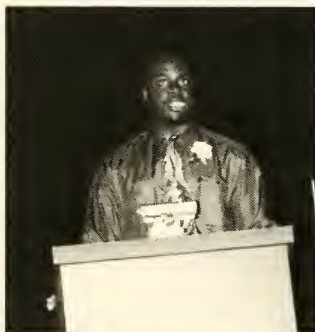

Seniors say you need more than a H. S. diploma

Do you feel a person without a high school diploma can get a very good job?

Do you think you can get a very good job with just a high school diploma? Almost 68% of the seniors that responded believed that it was not enough to only have a high school diploma. The world is much more complex than it was when the student's parents were in school and it is far more important to have some form of higher education in order to get a good job.

Student Council president, **Rashad Wilson**, knows the value of a high school diploma and the value of higher education. **Stephanie Di Biase**, **Dan Bergolc**, **Gina Prodan**, **Creig Sulecki**, **Leah Cherne**, **Lea Acino** and **Becky Hren** having fun at Homecoming but knowing that there will be many more dances when they get to college.

Homecoming candidates, **Megan Ballanger**, **Tom Setser**, **Lee Nosse**, **John Morris**, **Matt Carroll** and **Deleonte Brown** were introduced before the Homecoming Game.

I WAS EMBARRASSED

Seniors tell about many of their most embarrassing moments

As a student progressed through their high school years they were occasionally presented with moments that were less than complimentary. These embarrassing moments were the kind of things that would be remembered over and over. The seniors were asked about their most embarrassing moments and these were some of the responses. As usual, the most common type of embarrassment happened on the stairs. Because of that, students mentioning stairs were all grouped together at the end. The other moments are presented alphabetically.

Daye Barkoot fell asleep in class one day and someone put makeup all over his face so he looked like a clown.

Monique Bateman was going to sit down at the lunch table when Kisha pulled the chair from under her and she fell straight on the floor.

Kate Bechtel dove into the pool to swim the 500 freestyle and got a nosebleed. She didn't realize it until the race was over.

Tina Cadovec was really mad at lunch when she pounded her fist on the table splattering a package of mayonnaise across the room and onto a table full of people.

Chlora Caldwell fell off the bleachers during a girl's varsity basketball game.

Casey Carmichael had his chair pushed out from under him in the cafeteria.

Latisha Bell missed her bus in the ninth grade and ran after it yelling and almost got run over by a bus that came up behind her. Everyone was laughing as she limped onto the bus.

Cori Dean walked into her English class and tripped over the cord for the overhead projector that everyone was using to take notes.

Elizabeth Domin dumped chocolate pudding on her head and the floor of the Ponderosa after she knocked it out of Beth Kramer's hand during a resting tournament.

odi Dominick and **Mark Browne** were rapping to notorious B.I.G. during Big Show and she didn't realize her milk was on and everyone in the auditorium heard.

Mark English was trying to look cool as he walked off from the buses as a ninth grader and instead slipped on the ice and fell on his butt.

Annie Feldkamp missed three volleyball games after she got her finger stuck in her windpants.

Jim Fogarty got stuffed in a baseball locker by Joe Perry, Jay Cudo and Mike Yureich as a freshman. Gene Hess got lost when he was showing someone around the school.

Brad Hodge gave a urine sample in chemistry class for a test for the conductivity of the solution.

Patricia Hollins went to the bathroom and got her skirt stuck in her stockings.

Nicole Hrdlicka got rear-ended by a motorist and was so worried that when she exchanged information she forgot to get his name and telephone number.

Becky Hren was at cheerleading camp and during competition got so flustered that she forgot the cheer and just blurted out "Ahhhhhh".

Sun Shine Hyle didn't realize how long it would take her to get to school and arrived late on the first day.

Christopher Jones fell off the stage during a school play.

Jaime Jordan left her car's lights on and needed to get a jump from Jessica Sas.

Richard Landsmann was at a rainy football game in the Marching Band and slid across about 5 yards of wet grass before landing in the mud.

Jamel Lawrence was on the playground in second grade when his pants ripped and everyone saw it.

Colvey Martin was sleeping in a desk in study hall when it broke and he fell out.

Casey Mc Redmond was sleeping in chemistry class while the teacher was explaining about a movie. She woke up and yelled out "atom" for no reason.

John Morris threw up at **Tony Raia's** graduation party and got vomit on everyone at the table. He is now known as a "chicken chunk man".

Maria Negolka was cooking smores in cooking class while Mrs. Sheridan was being interviewed by channel 43. The smores caught fire and the interviewer videotaped the entire episode.

Melissa Novinc was speeding down an icy sidestreet when she slammed on the brakes and the car slid into a snowbank and she had to call a tow truck.

Paa-Kofi Obeng was being dragged across the floor in his underwear by his towel before swim team practice by Tom Walker.

Maryann Oroz was playing doubles with Allison Hrovat against North and the ball would have come down out of bounds but as she ran after it the ball landed on her head.

Jamie Piscitello had to start his car with a screwdriver in the parking lot.

Veronica Radolovic dropped her lunch tray and the plate broke into many pieces.

Keante Redfearn dropped the football on the one yard line.

Jason Robinson walked into his fourth period class when it was only third period.

Amber Sabel ended up talking to herself after the friend she was with left.

Rashad Wilson fell in the lunch room.

Doug Zeman got hit by a car in the parking lot as a freshman as he was looking at a girl. It hurt.

Mike Zivnoska was in a rush to get to his next class when he ran out of the bathroom with his pants down.

Keith Baron, Eric Casiato, Terrance Chambers, Latisha Bray, Kevin Allen, Cory Cunningham, Jennifer Frieden, Travis Gallon, Regina Graves, Carolyn Gudaitis, Melissa Hoppert, Maurice James, Mandy Kaucic, Tim Mazurik, Hosea Mburu, Veronica Mc Graw, Sedrick Morton, Katrina Murphy, Jessica Nelson, Theresa Parey, Alisa Patterson, Carolina Pino, Rashida Range, Stephanie Schulz, Marquis Still, and Gwen Wurm all had encounters with stairs of some sort again proving that more embarrassing moments happen on stairs than anywhere else.

NEAR PERFECT SEASON

Football goes unbeaten in G.C.C. but loses first and last games to St. Ignatius

The Euclid football season was one of the wettest in recent history. Many games were either played in downpours or it had previously rained and the field was sloppy. This didn't help attendance but it didn't detract from the outstanding season that the teams had. The varsity opened with a 41-7 loss to St. Ignatius but then rebounded by winning

their next nine games before losing again to St. Ignatius in the first round of the playoffs. They won the G.C.C. title by beating the tough South Rebels in perhaps one of the best and most suspenseful game in team history. The Euclid football team had many outstanding players. **Delmar Stewart** was all state and was team MVP. Also getting all state honors were **Mike**

Zivnoska(outstanding defensive lineman), **Mike Melnyk**(outstanding offensive lineman), and **Albert Simpson**. Others were **Scott Longazel**, **Monroe Hillsman**, **Deleonte Brown**, **Sean Mc Laughlin**, **Rashad Wilson**, **Rich Belanich**, **Jay Kletecka** and **Tim Walters**.

The J.V. Football team recorded a 8-2 season. They had a tough but close loss to St. Ignatius in the first game but they then rolled until the last game against the Brush Arcs when they were upset 20-14. The J.V.s were a strong all-around team outscoring their opponents

191-73, and recording five shutouts. **Hassan Brown** and **Tom Virgies** were the main offensive threats at tailback. **Jason Watkins** was an explosive blocker and runner at fullback. **Tom Soini** and **Ramone Walton-Terrell** both did great jobs at quarterback and the line made the holes and gave

protection. The defense was let by juniors **Dave Johnson**, **Kevin Banks** and **Lewis Nunley**. **John Schnell** and **Dorian Gould** each had over 100 tackles. The defensive line made the difference by shutting down the play before it had a chance to develop.

LOVED OUT

Girl's tennis lacked experience

The Euclid Girl's Varsity and Junior Varsity Tennis teams were at a slight handicap this season due to the inexperience of many of the players. The varsity team ended with a 6-14 season overall, and a 2-8 record in the G.C.C. The G.C.C. tournament left Euclid in fifth place, with first doubles team **Maryann Oroz** and **Allison Hrovat** scoring points for the team with a third place finish. The team looked forward to the next season when many of the players will have more experience.

The 1996 Golf team this year had one of its best years of all time.

The coach Bob Ramlow, thought this was Euclid's best team ever. The team consisted of seniors **Bud White**, **Nick Solberg**, **Kevin Evans**, **Brian Gecewich** and juniors, **Brian Siedler**, and **Dan Fitzpatrick**. During the season they shot a school record of 139, which is 1 under par as a team. They won the G.C.C. conference by shooting 315 with the next best score was 321. The team advanced to districts by shooting a 315 with an average of 78.75 at sectionals. The MVP was **Nick Sohlberg** who averaged 38.23. One great accomplishment of the year was the defeat of 4 time state champ, Gilmour. The team had a lot of fun throughout the year while compiling a record of 14-2. Next year should also be a good one with 2 returning starters and a good J. V. team.

DIDN'T GET IT SET UP

Volleyball struggled through a frustrating season

The 1996 Varsity Volleyball team had a difficult season. The lady panthers had a G.C.C. record of 3-11 and an overall record of 4-13. This year's team possessed a lot of talent, but suffered from a lack of varsity experience. There were only two returning lettermen, co-captain seniors, **Angela Suchy** and junior, **Amber Cogley**. Other seniors powering the team were **Stacy Lesefsky**, **Kristin Samsa**, and **Annie Feldkamp**. This season was a learning experience for all. However, next year's team should show a lot of promise with returning juniors, **Stephanie Fox**, **Becky Godec**, and **Chrissy Kovacevich**, as well as sophomores **Tina Peric** and **Maria Williams** and freshman **Tomeka Drake**.

LACK OF

The Euclid wrestling team still suffered from not enough interested wrestlers. There were only a couple of seniors and the rest of the team were underclassmen who lacked the experience to compete effectively. There was also a change in coaching as first-year teacher, **Scott Lakus**, became the head wrestling coach. This was the first time in several years that the head coach was a teacher at the high school so hopefully the team will improve in future years.

NOT ENOUGH HORSES

This year's Boy's Cross Country team was really lacking in numbers at the beginning of the season but Coach **Joe Rodriguez** was able to recruit many of his swimmers and ended up with a much larger team than Euclid has had in the past few years. A transfer to another school at the beginning of the season by one of the members left the team without any outstanding runners and the team went through the season with a 5-4 overall record. They finished with a 4-3 record in the G.C.C. They had many good races despite the weather which was sloppy most of the time.

They finished fourth out of eleven teams in the District meet which was very similar to the previous year.

Boy's basketball finishes season with almost perfect record in G.C.C.

SENSATION

The 1996-97 Varsity Boy's Basketball team closed it's G.C.C. season with a win over Mayfield and only one conference loss to finish the season with a 15-5 overall record and 13-1 in the conference. The Panthers were blessed with a strong one-two combination of 6'-11" senior, **Lee Nosse** and junior, **Antoine Fisher** who both averaged 18 points per game. Lee averaged 10 rebounds and three assists while Antoine averaged 8 rebounds and four assists per game. Seniors, **Dave Banach**, **Petrus Hawkins** and **Kevin Allen** also had an incredible season and contributed greatly to the team. Juniors, **Allen Slamic** and **Artis Powell** put in quality minutes, along with sophomore, **Emmanuel Smith** who still has two years to prove himself. **Chris Gooden** split playing time between J. V. and Varsity. The J.V. team finished the season with an 11-9 overall record and had a great team effort.

ANOTHER SUCC

This year's Lady Panther's Basketball team could not repeat as conference champs. They had a lot of talent but just could not compete with the powerhouses of North and Mayfield. They finished with an overall record of 13 and 7 and 10-4 in the G.C.C. Next season they should have some returning lettermen to help their efforts. The team was coached by first-year coach and teacher, Pat Vuyancih.

BOY'S SOCCER GETS BOOTED

Boy's finish in last place

The 1996 Boy's Soccer team was a big disappointment after the exceptional season they had the previous year when they finished second in the G.C.C.. They ended the season with a 4-11-1 record and 3-8-1 in the G.C.C. They were not able to get it together and did not score many goals throughout the season. The J.V. team finished the season with an 8-3-5 record and 7-1-4 in the G.C.C. so next year may hold some promise.

It was an exceptional year for the 1996-97 Girls Varsity Soccer team. Not only did they gain their second straight G.C.C. title they finished with a 12-4-2 record. The group for the first time advanced to the district final to play a tough match against Mentor. No one expected such an incredible finish at the beginning of the season when injuries benched senior **Jennifer Waina** and Junior **Lisa Udovich**. Through great teamwork and exceptional efforts of defender **Katie Walker**, the team's MVP and goal keeper, **Suzanne Lucas** the team had a successful season. **Suzanne Lucas** and **Katie Walker** made Division I first team. **Sandra Mowery** and **Jennifer Waina** made the second team and **Jill Swansgar** and **Nikki Hrdlicka** got a Special Mention while **Dawn Merritt**, **Kristin Sacko**, **Kathy Blatnik** and **Courtney Sharp** got Honorable Mention. The graduating seniors left a big hole that had to be replaced in the future.

The Euclid Panthers girls' swim team had another successful year by finishing undefeated in the G.C.C. and only suffering one loss to powerful Mentor. The girls' talent, combined with hard work and outstanding coaching by Mrs. **Joan Bush**, gave the girls a fourth consecutive G.C.C. title. The support the girls gave each other and their dedication helped to make them an even better team. The girls worked together and accomplished what they set out to do at the beginning of the season. The remaining underclassmen meant that the team had a good beginning for the next year.

ACTIVITIES

High school is much more than just a place to learn about curriculum. There are many other activities that the students can participate in both during and after the school day. Sports are some of these things but there are also many clubs and organizations that students can enjoy. If there isn't an organization that students are interested in they can get together and get an adviser and begin their own club. The opportunities were limited only by their minds.

HALF TIME SHOWS

Marching Band brings musical entertainment to football game

Marching Band was not all hard work, it was also fun. What was it that they did in Marching Band? They marched and when they were not marching they were practicing. When they weren't practicing during rehearsal they were tossing anything across the band floor, jamming with others on different pieces of music or just going crazy.

Marching Band, on average, performed about 15-20 shows during the season. That included all the football games, festivals, parades and performances for other schools. It took a lot of work to get all the different instruments and people together into a cohesive unit and that was why Marching Band began three weeks before school began for everyone else. It took a lot of work to write the shows, learn the music and practice everything so it could be performed in front of the halftime crowd.

Euclid's 1996-97 Flag Corps began their season with a bang!. With captains **Heather Perusek** and **Marissa Mukavetz** the corps took on a fun and challenging year. The Corps consisted of a 21 girl squad that twirled at all of Euclid's football games, various parades, festivals and a competition. When their 4 months of long, hard dedication had come to a conclusion, it was time to say their good byes to the end of yet another great season. Everyone was sad to see the seniors leave but the underclassmen moved up to take their places in the program.

New members Jenny Kosovich, Shana Miklavic and Kristy Berkheimer experienced the fun and excitement of band season for the first time. From early summer practices to the Cleveland Bicentennial Christmas Parade in December, finding spare time was out of the question. "We had a big squad this year," stated Christy Peacock. LEARNING

The Euclid chapter of the Naval Junior Reserve Officers Training Corps program entered it's third year in 1996-97. It gave students a chance to learn about the military and learn a lot about themselves. They participated in programs within the school such as being guides during Parent Teacher Conferences and color guards during football and basketball games. They also went on trips to other schools and organizations and competitions with other groups. The program enabled them to advance when they enrolled in college and be able to secure funds for further education.

TAKING CARE OF BUSINESS

D.E.C.A. helps students learn about the business world

Distributive Education Clubs of America (D.E.C.A.) was a student run club that coincided with Euclid's Marketing Education class. Mrs Jean Jelenic was the advisor for the club which was designed for juniors and seniors who were interested in a career in marketing and management. In their junior year, the students attended classes and studied the stock market, business finance, marketing research and many other business related activities. Seniors spent part of their day in school learning about everything from job interviewing to advertising and sales. During the remainder of the day they were employed in retail establishments within the Euclid area in a variety of retail, wholesale, and service capacities. In D.E.C.A., students competed against other high school students on the local, state and national level in areas related to their career interest.

Part of the D.E.C.A. program is competition with other schools. Here are Vanessa Gallman, Terrance Maddox and Dana Barbish showing off the certificates that they won in competition with other schools in the Fall.

GLIDING ON THE SNOW

Ski Club makes winter fun

The winter passed more quickly if you were a skier. Instead of dreading the snow skiers actually looked forward to it. The winter of 1996-97 really began hard when an early storm closed schools for four days in early November but then didn't have much of a winter throughout December and January. January had very little snow but it was cold enough for the ski areas to make enough snow for the Ski Club to enjoy their sessions. January weather was fluky with very cold days followed by warm conditions with rain. Skiing was a fun activity and the school program gave the 65 students in Ski Club a chance to experience it for a relatively low price. One new thing this year was going to Brandywine Ski Area where more than 20% of the members were able to snowboard instead of just skiing.

MARCHING TOGETHER

Drill team formed to present show during basketball half times

The Euclid High School Drill team was revived in 1995 by six students who wished to increase school spirit and become active in public service. This year, the team continued that legacy by creating school spirit and increasing attendance at various athletic events. The group performed at Case Western Reserve University and various school functions, and helped serve the homeless during Thanksgiving. This multi-cultural group boasted high academic and performance standards as well as a spirit of camaraderie and sisterhood. **Alicia Renix** was Captain and **Denise Poindexter** was Co-Captain.

Winterfest 1997

A NIGHT ON

Students had a fun time swinging to the music

Approximately 200 couples attended this year's Winterfest Ball which was held on Saturday, February 22, 1997. The colors of the dance were red, black and silver. To go along with the theme "A Night on the Towne", student council decorated the ballroom in top hats, city landscaped, stars, moons, and plenty of balloons. Voting for the Winterfest Court was done at the dance by those couples attending rather than everyone voting in homeroom. **Kevin Evans** and **Katie Baioni** were crowned King and Queen. Senior attendants included **Natalie Mc Gill**, **Kelly Hiscott**, **Elizabeth Kulcsar** and **Mark Browne**. The dance was a great success and would be remembered by everyone who attended.

THE NEWS OUT TO THE SCHOOL

The Audio Visual Club was the life of the school. All of the movies, copies and other equipment were all provided by that club. Under the direction of adviser, **Allen Black**, the members produced the morning announcements as well as all technical portions of assemblies, programs and plays. Members were trained to use cameras, stage lights and sound systems. The club was responsible for delivering AV equipment, fixing copy machines and acting as an overall service to teachers and students. Broadcasting the school's news was the duty of the P.A. Announcers. Every day, specific students were assigned to arrive at school by 7:25 a.m. in order to prepare. Airing live, the announcers informed and updated the school on current events, sports, and other activities.

Many Euclid students were involved in activities outside of the school.

Sophomore, **Wendy Barker**, has been interested in gymnastics for the past seven years. The problem was that Euclid hasn't had a gymnastics team since the 1970's. Wendy wanted to compete for the school so she petitioned Columbus to allow her to compete as an independent. She has competed at Mayfield, Lakewood and Solon and is allowed to get an independent score. Her best scores so far have been second places in Beam, Floor and All-around events. She enjoys being with the other girls at the other schools and says that all the competitors are very friendly with her. She hopes to continue into college although she did not start as early as most serious competitors have. "I hope to continue but gymnastics takes a toll on your body and you can't do it forever". So far she seems to be doing a very good job.

or, **Betsy Gibbons**, has been involved with ballet for many years and is a student of the School of Cleveland t. During December of 1996, she danced in the Cleveland Ballet's presentation of The Nutcracker and went and to help less fortunate people in association with the event. She is the second from the right in the picture.

of **Jason Waina**'s favorite activities is mountain biking through the trails in wooded regions of the state. He traveled to different parts of Ohio to participate in riding events. He is also an avid downhill skier.

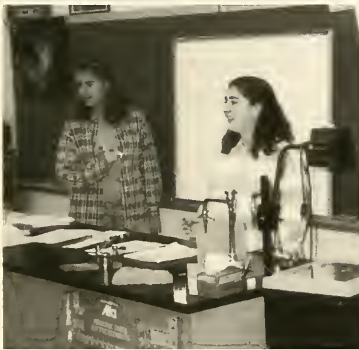

Ronnie Edmonds enjoys working on his car so he can make it more reliable and learn about auto repair in the auto shop.

DISTRIBUTING THE NEWS

The Survey brings the news of the school to the students

The Survey was the school's newspaper which came out several times throughout the year. The paper reported on events that were of interest to the students and staff. The stories were entered into a computer and the pages were laid out using PageMaker® as the desk top publishing program. The actual printing was done outside the school. Mr. Stan Bender was the adviser for the group.

RECORDING THE YEAR

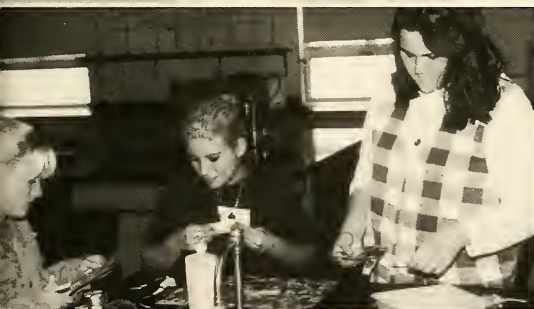

The Euclidian remembers the year for all time

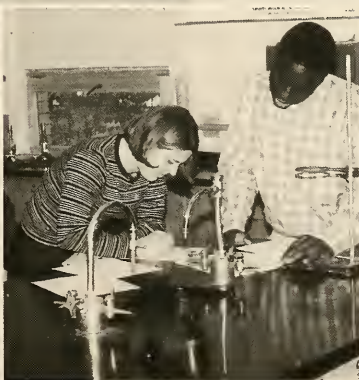

The yearbook lasts forever. It was an historical account of the school year.

It showed all the students and staff that called Euclid their home during the 1996-97 school year. It showed all the different sport's teams that competed throughout the year. It showed all the different clubs and organizations that participated in making Euclid the school that it was during 1996-97. It tried to show all the items and events that made Euclid High School, Euclid High School. It was the history book that students would keep forever and refer to throughout their lives.

GOT A JOB

MANY EUCLID STUDENTS HAVE A JOB

Having a job was a reality for many of the students at Euclid High School. Students wanted to have money so that they could make purchases at local stores and be entertained. Teenagers were an important market for store owners since they spent lots of money on clothes and gifts and entertainment. Some students were also saving for their schooling after high school. A poll was taken of the seniors and about 70% of them responded that they had a job which was very similar to the previous year's results. A significant change was that the majority of the students this year were working 20-29 hours per week instead of last years 10-20 hours per week.

FRIGHT NIGHT AT E.H.S.

On Thursday, October 31, 1996 Euclid students again celebrated Halloween by dressing up for school. Student Council also sponsored their annual Halloween Party for the young children in the Euclid community. During the day many Euclid students dressed up as cartoon and movie

characters to show their appreciation for the events of the day. The turnout was better than in previous years and everyone seemed to have a fun time. It was a cold but dry evening so many young children went out in the city for halloween.

HONORABLE SOCIETY

National Honor Society members are the most active in the school

National Honor Society consisted of students who exhibited a high set of standards at Euclid High School. In order to be a member a student had to be above average in grades, citizenship, character and service. **Katie Walker** was the President and **Becky Hren, Katie Salisbury** and **Scott Lawrence** were other officers. **Ms. Lisa Howell** was the new adviser for the 1996-97 school year

LITERARY PRODUCTION

Eucuyo publishes student's original works

Adviser, Mrs. Judy Stobinski, shows some older copies of the Eucuyo to members, Kelly Hiscott, Courtney H. Melanie Meyers, Erin Patterson and Darrius Durr.

Eucuyo was Euclid's Literary magazine, written, produced and composed by Euclid students. Meetings were held to gather ideas and entries to put together into a book that was suitable for many awards. Eucuyo was made possible by donations from the staff, businesses and parents. Without the outside support, the magazine would not have been nearly as successful. Previous year's efforts won awards for artistry and individual style. Due to the increased costs for printing, the 1997 Eucuyo was not printed but instead was published on an online message. The Eucuyo had their own web site on the world wide network. Anyone could enter their work, and anyone could join. Mrs. Judy Stobinski was the adviser for the group.

ESCAPE FROM REINDEER HALL

Euclid's annual Holiday Play was presented on December 11, 12, 13, and 14 for the elementary schools and for the rest of the school. "Kringle-Kringle's Day of Dilemmas" was written and directed by retired English teacher, Ms. Judith Carmody. The play concerned the problems that occurred when two elves forgot to lock reindeer hall and the reindeer escaped just before the Holidays. The Grumbleskins found them and were going to hold them for ransom but then had a change of heart and returned them in time for the holidays.

HELP AROUND THE SCHOOL

There were many jobs that had to be done by the different offices at Euclid High School and it was the Office Aides who helped make those jobs manageable. The Office Aides gave up one or more of their study halls so they could help the secretaries in the different offices throughout the school. They helped the staff with filing, attendance reporting and running around the halls to give messages to teachers and students. They decorated the offices and made them a more enjoyable place to be. The school would not have run as smoothly without them.

Betsy Gibbons makes sure that the staff gets their proper information.

Monique Bateman goes through the halls delivering call slips to students throughout the building.

Margaret Corcoran, Kelly Gavin, Gene Hess, and Elizabeth Vevercic Lisa Taplin and John Morris, April Dworning and Michaelann Murphy, Becky Godec, Amber Cogley and Stefanie Troha all help Mrs. Joanne Hodder or other people in the offices.

LOCK IT UP

Lockers became more important this year since the rules were changed so that students could not carry book bags and back packs to their classes. This was done to relieve the congestion that the bags caused when they were lying around on the floors in the classes. Because of that, students had to keep most of their books in their lockers when they were not being used. Many students still decorated their lockers so that they could show their individuality.

Lockers are used for more than just storing stuff.

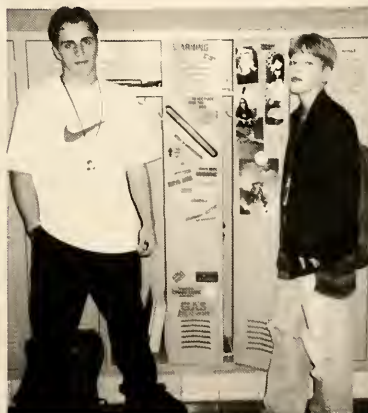

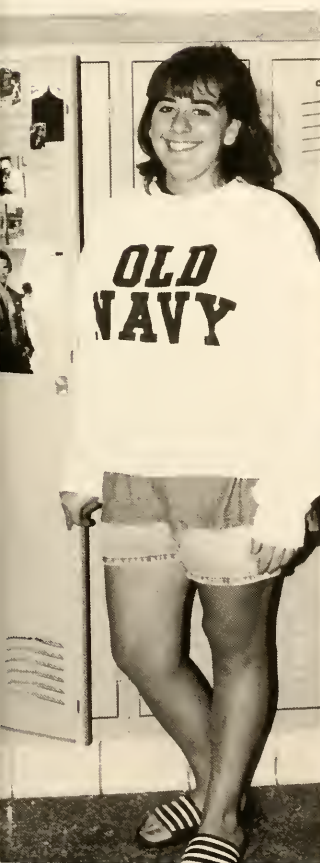

Theresa Parey, Jessica Scott and Amanda Price and Karen Lemieux are proud of the way they have decorated their lockers.

Life between Summer

UNDERCLAS

Students spent three years as underclassmen at Euclid High School. During that time they went from being a new freshman who was in awe with the size of the school to juniors who were well versed in the operation of the building. It was a growing up and learning process that they all had to go through. It was necessary to prepare them to become seniors.

Mrs. Jan Ulle tries to increase her student's awareness of the importance of mathematics.

Brian Zorman and Terry Kontra spend part of their school life in the chemistry lab watching a test tube burn.

Junior Band Director, Jenny Cicco, learns the intricacies of directing the band so she can be the senior band director next year.

Michael Valentine and Elishia Jackson are studying hard to understand about density.

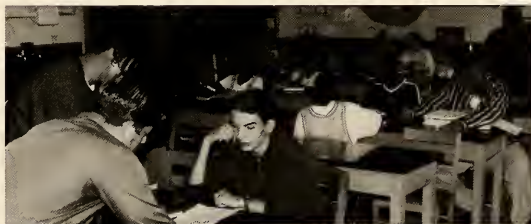

Valerie Van Ho and Molly Petras use their time at Euclid to further their knowledge in preparation for life outside Euclid High School.

Kristen Kascak, Allen Slamic, Angela Grida and Monica Povirk processing some data on a computer.

Angie Osterman and Maryann Oroz enjoying their time at their computers.

Students learn that making measurements is an important part of any science experiment.

Class of ... 2000

The freshmen had an exciting year and experienced many new things. They would be the first class to graduate from Euclid in the next millenium. They went from being top-ranked middle schoolers to novice high schoolers. Everything around them was new-a high school impossible to navigate, new teachers, more homework, even some new classmates.

After a few weeks, however, the freshmen managed to settle into the high school groove. They learned their way around the building, got familiar with their teachers, and met new friends. Most managed to get past the toughest year of high school with a smile, and are ready to help next year's newcomers get into the now familiar routine of high school.

Sophomores try to get their act together

The sophomore year was one of students trying to find out about themselves. Most had been in Euclid for a year so they knew their way around the building but now they had to find their way around their own lives. Sophomores had more responsibilities but they were faced with many decisions that had to be made. They had to decide what kind of courses they wanted to enroll in so they could begin moving towards some goal in life. Some knew where they were intending to go but most found this time to be very confusing and at times frustrating. Sophomores had many emotional ups and downs but most made it through those trying times.

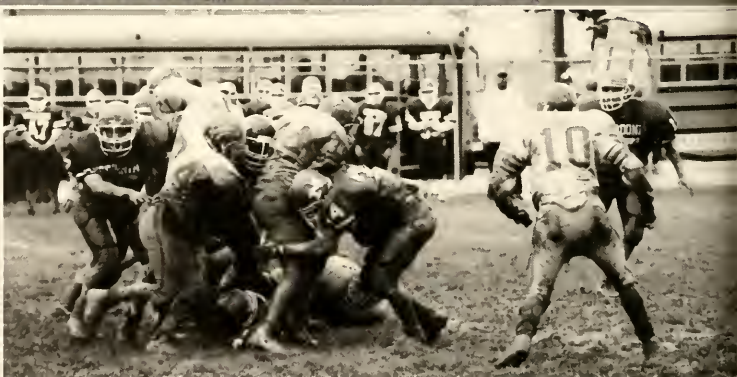

John Copic and Kathy Stobierski know the advantages of working hard so they can accomplish as much as possible with their lives.

Freddy Blatnik, Paul Glowacki and Mike Miklavcic know the value of working hard and don't run just during the cross country season.

Jason Watkins and Brandon Richardson and the rest of the J V Football team know that hard work is the only way to achieve anything. The members of the Flag Corps worked hard off the field to prepare for the activities on the field.

Juniors have only one more year to go

Junior year was an important time for most high school students. By that time they had their drivers license and had a car available or at least knew someone who had a car. This led to much more freedom and a chance to express themselves in different ways. Many juniors were thinking about their future plans and what they would be doing in the years ahead, but most of them were just interested in what was going to be happening the next year when they were going to be seniors.

Third year tennis player, **Allison Hrovat**, spends most of her summers practicing for the fall tennis season. Feature Majorette twirler, **Christy Peacock**, dedicates much of her summers to preparing for the fall Marching Band season.

Amber Cogley devotes much of her time preparing for the volleyball season.

using the information that he has learned during summer practices, **John Schnell** points out a flaw in the opponent's defense while **Deshaun Lewis** and **Kevin Banks** look on.

MEMORIES

The final deadline for the 1996 Euclidian was at the beginning of March so everything that happened after that could not be included in the book. Because of that we are including the highlights from the end of the year in this section.

Mary Wolf dances with a senior citizen during the Senior Citizen Prom held in the Spring.

Bud White hits the ball for the incredible Panther baseball team that only lost one game in the entire season.

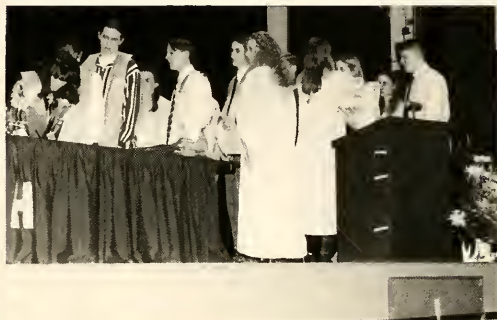

Freddie Blatnik clears the bar in the pole vault during outdoor track.

T. J. Grabianowski, Jason Edwardsen and Fritz Strieff wore pajamas to school to promote The Pajama Game which was Big Show 1996.

National Honor Society held its annual induction in the Spring and these were some of the students that were inducted.

Tony Fisher makes a good leap in the long jump for the track team.

Principal, Mr. Robert Knuth, presents awards to , Missy Bonfiglio, Marie Salupo, Dawn Pratt, Julie Ann Newsome, Tara Van Ho, Kristina Geiger and Meg Miezin at the Senior Awards Assembly.

Before Prom an assembly was held for seniors stressing the importance of not drinking and driving. An accident scene was set up in the south parking lot. Clayton Cunningham is shown as one of the victims of a drunk driver.

UNBELIEVABLE SEASON

Varsity Baseball finished regular season with a perfect 25-0 record

The Varsity and Junior Varsity baseball teams had an unbelievable season and finished with a combined record of 45-2. Each team only lost one game during their season. The Varsity team set a school record with 25 straight wins and finished the regular season undefeated, the first in school history. They had a perfect 14-0 record in the G.C.C. Their only loss was to Canton Glen Oak in the Regional Finals for the second year in a row.

Softballers improve

The 1996 softball season was a memorable one for the Euclid panthers. They began early in the season with a 1 and 3 record but then rebounded to finish 18 and 12 overall and second in the G.C.C. with a 10 and 4 record. Their greatest accomplishment was in the State Tournament where they finished as the state's second best team. Margy Mihalic led the team in hitting and played a solid shortstop for the Lady panthers. She was also named First Team All G.C.C. and All Ohio and Team Captain. Colleen Taylor also was one of the team leaders offensively and defensively and was named to the First Team All G.C.C. and All Ohio Team.

Big Show 1996 was presented on March 7, 8 & 9 and was called **The Pajama Game**. It was a tremendous success and pulled in large audiences all three days. The play was a 1954 musical set in a pajama factory. Romance between the superintendent, Sid Sorokin(**Fritz Streiff**) and the head of the grievance committee, Babe Williams(**Jodi Dominick**) was jeopardized by their opposing stands on the union's press for a 7 1/2 cent raise. Other people involved in the plot were Gladys(**Nicole Genovese**), Hines(**Scott Granito**), Mabel(**Colleen Longshaw**), Mae(**Katie Mc Guinness**), Poopsie(**Alia Crawford**), Prez(**Jason Edwardsen**), Brenda(**Heather Kinison**), and their boss, Mr. Hassler(**Scott Lawrence**). The union triumphs in the end and Babe and Sid are reunited. This play was highlighted by great songs, phenomenal dancing and an exceptional cast. Under the direction of **Ken Ferlito**, **Bea Grushcow**, **Glenn Obergfell** and **Bebe Katz**, **The Pajama Game** really came to life.

PROM

was held at the Landerhaven Party Center on Thursday, May 30, 1996. Many Euclid seniors and underclassmen enjoyed themselves at a night of dancing, pictures and eating.

Before commencement seniors were milling around taking pictures of each other and getting ready for the big moment.

COMMENCEMENT

took place in East Gym on Sunday June 9, 1996 at 1:00 PM. The threat of thunderstorms caused the event to be moved into the gym instead of being held in the stadium as was originally scheduled. The gym was hot and very crowded but the commencement went off without a problem.

Kristin S. Samsa

Kristin,
God has blessed you with many natural talents, sports and your ability to enhance people's beauty are just two. Remember, your angels will help you to reach for your dreams and accomplish your goals. All you have to do is ask them.

We love you.

CLOSING

Colophon Thank You Staff

Josten's Printing and Publishing Division at State College, Pennsylvania printed the 650 copies of the 1997 *Euclidian*. The book was printed on Gloss 191 paper stock and included 48 pages of full color. All pages were created using the Aldus PageMaker® 5.0 program running on a Macintosh IIsi computer that had 17 megabytes of RAM, a 540 megabyte hard drive and a Daystar Powercache 50 megahertz accelerator card with math coprocessor installed. The pages were backed-up onto a 88 megabyte Syquest removable hard disk. A 21" black and white, two page monitor made page layouts much easier. A second Macintosh IIsi computer with 17 megabytes of RAM and a Video Spigot card was networked to the first. Both computers were running System 7.1. Digital images were imported either directly from a Sony Mavica MVC-A10 Still Video Camera into the Video Spigot or were scanned in from a photograph using a 600 dpi scanner. The images were processed using Adobe Photoshop® which had Kai's Power Tools® plug-ins installed. Graphics were produced using Aldus Freehand®, Type Styler® and Microsoft Works®. The index was made using the Josten's program, Last Name First®. The pages were recorded on 3.5 inch floppy disks and 88 megabyte Syquest disks and hard copy was printed on a Hewlett Packard LaserJet III printer. The hardcopy and disks were sent to Josten's who stripped in the photos and produced the final copy on a Linotronic printer. The first deadline was submitted on a Syquest disk since there was so much memory needed. The rest of the deadlines were submitted on 3.5 inch floppies. The cover was designed by the **Josten's Art Department**. Pages were supposed to be submitted to the plant on five deadlines: November 4, November 25, December 30, January 27, and February 24. The first and second deadlines were submitted on December 5 since the senior pictures were late in coming. The third deadline was submitted on December 19. The pages were submitted as double page spreads. All the color pages had to be in the first deadline since their production entailed so much work. Since the final deadline was in late February, nothing that occurred after that time could be included in the book.

The staff of the 1997 *Euclidian* would like to extend thanks to all who helped to make this book possible. First and foremost, thanks have to go to the adviser, **Mr. Von Benken** for the many long hours of hard work and planning that had to be put in to get the entire operation going and to keep it going. Others to be thanked are: **Ohio School Pictures, Inc.**, for supplying film and processing for the many pictures that appeared in the book and for taking many of the team pictures, senior and underclass pictures. **Josten's Yearbook Company** for putting it all together in such an artistic manner, **Charlotte Elston** for all the time she spent arranging photography dates and supplying needed materials. **Joanne Hodder** and **Joan Linderman** and **Ben Pasquale** for all the time and work they did trying to get the senior pictures arranged and taken, all the writers and photographers who contributed their time, and last but not least, the entire student body at Euclid High School without which this book could not exist.

Brad Hodge and **Kelly Hiscott** were having a good time during Halloween.

Many people helped in some way with the 1997 *Euclidian*. Some wrote stories while others worked on the laying out of the book while others helped in the mailing of letters. Some of the students who did some work were **Lori Mitskavich, Courtney Strah, Erin Patterson, Katie Sierputowski, Paa-Kofi Obeng, Hosea Mburu** Mr. **Von Benken**.

Disclaimer

The 1996-97 school year is history. Many interesting and significant events occurred during that time and the *Euclidian* tried to cover as many of them as possible. This was difficult due to the limited staff. If we missed something, we are sorry. We sincerely apologize for any errors or omissions that occurred in the book but you have to understand this is only a high school publication and mistakes can happen.

Colette Sarns-Gaunt explains to **Valerie Van Ho** how her face got disfigured by the acid in the Fall Play.
